Children may not ride motorcycles or quads during the show hours.

### **Displaying Military Vehicles**

If you are displaying your vehicle while sleeping in a tent or caravan you should leave all your domestic appliances to the rear leaving your military vehicle clearly parked out in front this will only enhance the overall quality of our show.

### **Vehicle & Camping Security**

This show is open to the general public and they will therefore have access to your vehicle. The Organisers can accept no responsibility for loss of or damage to your vehicle or its contents. In these circumstances we strongly recommend that you avoid leaving your vehicle completely unattended during the show. Should you wish to do so, we suggest that at the very least you arrange for someone with an adjacent vehicle to watch yours and upon return check your vehicle not only for any loss or damage but also for any suspicious package that may have been placed in, on or near your vehicle.

### **Litter**

Záhorie area is a very pleasant and attractive site and we hope that you enjoy our show. So as to ensure that we are invited next year again, it would be appreciated if you would place your litter in the plastic bags which will be provided and upon you finally leaving the showground deposit it in the litter bins.

### **Barbecue**

As the Záhorie area is situated in countryside the area is assumed to be dry and flammable during the show days. Barbecue is allowed providing that a suitable working fire extinguisher is available and the fireplace is min. 5 m far from flammable things or bushes. The fireplace must be watched all the time.

### **Fire Extinguishers**

Due to the health and safety guidelines, we must insist that all vehicles have a suitable working fire extinguisher. This will be checked during the show.

### **Generators**

Must conform to the current health and safety regulations and the Electricity at Work Regulations. This includes ground spikes (earthing). Any cost incurred ensuring that your generator complies with current legislation will be at your own expense.

### **Catering, Buffets and Sanitary Facilities**

There will be several buffets offering foods and drinks on the site. However, if you prefer to make your meal yourself you just can do that. Drinking water will be provided as well as showers and lavatories.

### **Fire Protection and Medical Care**

On the site fire emergency service as well as 24-hours emergency rescue is provided. To make the show as safe as possible, the team are happy to offer advise on any matter relating to fire prevention. If necessary, they can inspect your campsite to check that it is safe. Advice costs nothing so please come and see us if you have any doubts over safety. Fire and rescue services will be located in the centre of the site alongside the road and will be clearly marked.
